## THEWEATHER.

Northern Alberta, the last couple of days, has enjoyed a return to almost summer weather. It has been mild and sunny and this morning a warm, light shower of rain fell. The river and sloughs which had been frozen over are now covered with water and spring-like conditions prevail. In striking contrast to this are the weather reports from other sections of Canada and also from the United States. Our despatches from Ottawa report the weather as unusually cold there. Similar reports have reached us from Montana and other states. The mild weather has given contractors an excellent opportunity to complete unfinished work. In several cases brickwork has been resumed and among the carpenters there is great activity. If the present mild weather continues it will be a great boon to builders generally.

## HOCKEY MATCH

The second practice hockey match of the season took place on Thistle rink last night. Two local teams, captained by Ed. Sibbald and Harry Helliwell competed. The game was fast and a great improvement was noticeable in the players since Tuesday night's game. The game resulted in a win for Sibbald's team, the score being five to two.

The teams lined up as follows:

### St. George's Church Entertainment—Wedding at the Fort—Elk Shooting.

(Bulletin Special Dispatch).

Fort Saskatchewan, Nov. 26.—The entertainment held in Langworthy's hall on Wednesday evening under the auspices of St. George's church, was a decided success. The large hall was crowded with an appreciative audience that enthusiastically applauded each item of the high-class program that was rendered by local talent, ably assisted by Mrs. John and Mrs. Wm. Jackson, Mrs. Scott and Rev. Mr. and Mrs. Webb, of Strathcona, and Mrs. McFarlane, of Edmonton. Much praise is due Rev. G. C. d'Esaum and his willing band of helpers for the excellent manner in which everything passed off. Over seventy-five dollars was realized at the door. After singing the national anthem, the genial proprietors of the hall announced that the floor would be cleared for those who wished to enjoy a social dance and needless to say, many availed themselves of the opportunity.

The fine mild weather for the last few days has enabled the masons to finish the brickwork on Sbera and Company's new butcher shop.

A quiet wedding took place at the Presbyterian manse here last night. The contracting parties were Mr. Andrew Watson, proprietor of the Mansion House, and Miss Mary Buchanan, of Government street. Only the immediate friends of the contracting parties were present. The Rev. Mr. Forbes performed the ceremony.

Mr. B. Simmons returned last Friday night with two of the largest elk ever brought into the Port, the result of a three days hunt. Mr. Simmons left for the hunting grounds again on Tuesday morning, accompanied by Messrs. Jackson Bros., of Strathcona, Dr. Barry, J. L. Graham and Frank Walker. Mr. Simmons guarantees to guide any party to where they can shoot elk within three days' journey from the Port, and no elk are seen, no pay is expected.

Mr. Stern, M.A., returned on Tuesday's stage from Regina.

Mr. A. Taylor, of Beaver Hills, was in town Wednesday.

Miss R. Shipley was the recipient of many handsome presents on her first birthday, being last Sunday.

Mr. J. Sottman, of Bottanville, was in the Port yesterday purchasing goods for his store there. Mr. Sottman informs us that he can do as well at the Port as he could in Edmonton and save a 40-mile journey.

## MARKET FOR GRAIN

A matter which has been causing a great deal of discussion in Ponoka, is the absence of a market for grain in that village. The Alberta Grain Company had announced their intention of erecting an elevator at Ponoka last fall. This did not materialize and the people of Ponoka and district were face to face with a rather serious problem. The Board of Trade took the matter up and commissioned Mr. Eugene Rhian, editor of the Ponoka Herald, and secretary of the Board of Trade to come to Edmonton for the purpose of consulting J. McFarlane, manager of the Alberta Grain Company, regarding the intentions of his company. Mr. Rhian consulted with Mr. McFarlane and was given an assurance that a temporary warehouse for the storing of grain would be erected in Ponoka immediately and that next year a large elevator would be built. Mr. Rhian returned to Ponoka Thursday morning.

## HOCKEY MATCHES
